

Self contained luminaire

Imperia

Stylish LED recessed
emergency luminaire
BSI Approved

 **325mm x 80mm**

Product Description

An attractive range of compact fully recessed LED luminaires with an 80,000 hour lamp life. The clean free lines do not interrupt the line of sight and provide an even level of emergency illumination. There are also 8 watt T5 fluorescent versions available to complement the range.

Product Features

- **Body fabricated from corrosion resistant steel**
- **High temperature Ni-Cd battery with constant current charger with an LED charge indicator – recharge period 24 hours**
- **Ambient temperature 0 to 25 centigrade**
- **Premium sub components assure a trouble free service life**
- **Four colour finishes available to suit the application – White, polished brass, silver and chrome**
- **Three hour duration in a power fail mode**
- **Designed to BS EN 60598-2-22**

Applications

- **Offices**
- **Libraries**
- **Restaurants**
- **Leisure facilities**
