

Self contained luminaire

Scrivea

IP65 Wall mounted
semi-decorative luminaire

Product Description

This well proportioned circular luminaire has an impact resistant opal polycarbonate body and diffuser. A useful feature is the two opposing 20mm conduit side entries, this enables the luminaire to be truly surface mounted and conduit wired.

High efficiency 38 and 55 watt 2D compact fluorescent lamps are accommodated which provide an even level of illumination. The high frequency control gear produces flicker free operation with instant start and extended lamp life. Emergency versions are also available.

Product Features

- **Energy efficient high frequency control gear as standard**
- **Easy lamp replacement and maintenance**
- **Opal impact resistant polycarbonate diffuser**
- **High quality sub components are used to extend service life.**

Applications

- **Schools**
- **Libraries**
- **Reception areas**
- **Stairwells**
